Button Element

Table Elements · https://ninjatables.com/docs/button-element/

Whether it's sales, subscriptions, or any other opt-in actions, tables play a pivotal role in presenting data effectively. In this dynamic landscape, a "Call to Action" (CTA) button element empowers users to take prompt actions.

With Ninja Tables' fully customizable CTA button element, you have the tools to design compelling pricing tables, comparison tables, and WooCommerce product tables that drive results.

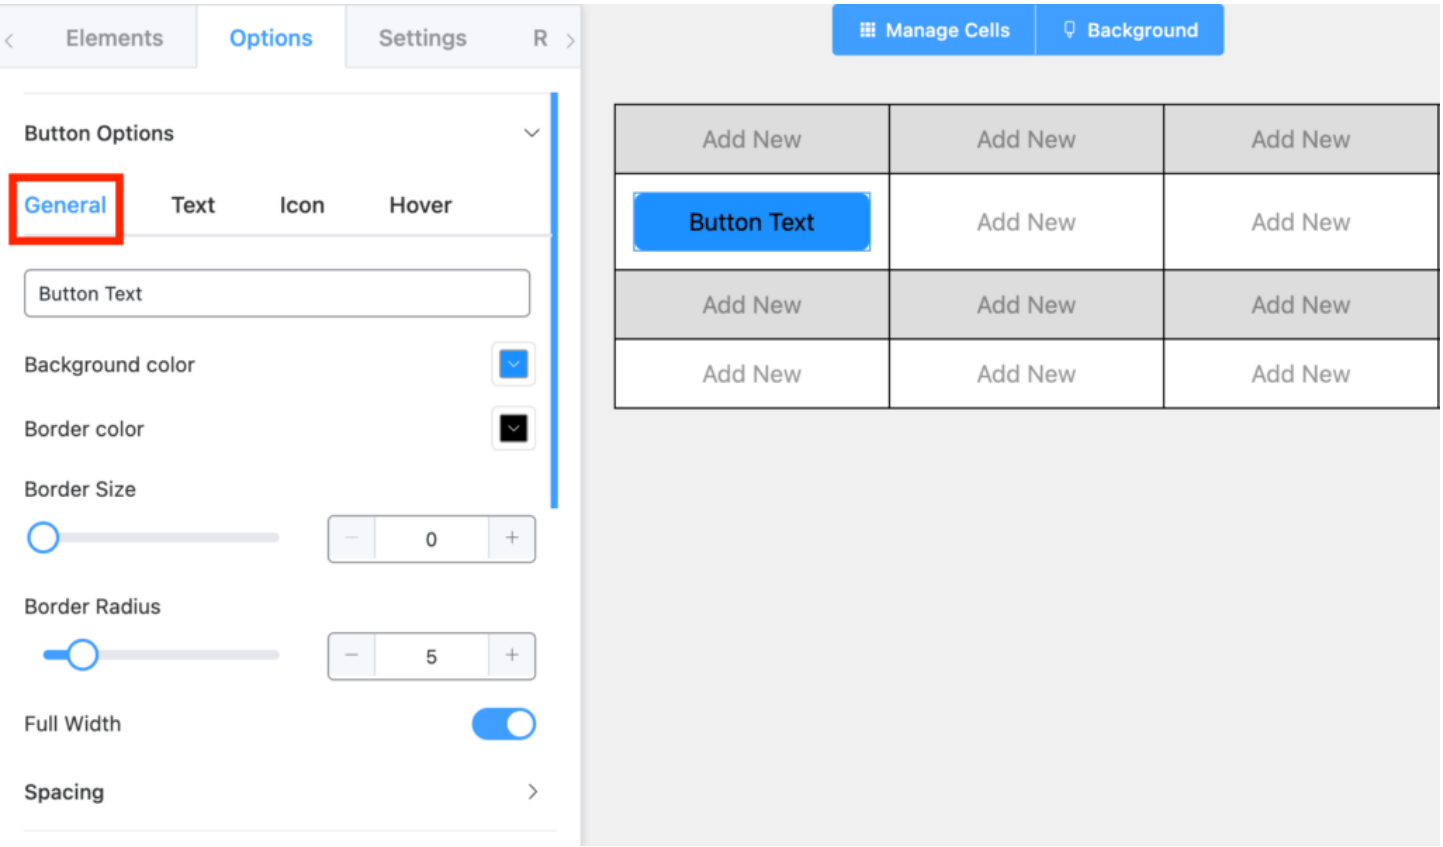

Let’s add a Button element to our Ninja Tables!

Properties of Button Element

Scope	Option Name	Type
